

## SESUG 2007 Student Scholarship Program

The SouthEast SAS Users Group actively encourages knowledge sharing amongst SAS users in the southeastern United States. In recognition of students who are using SAS software in their research and studies, SESUG and SAS award "registration scholarships" to support student attendance at the annual SESUG conference.

If you would like to attend SESUG 2007, and would like to apply for a student scholarship, please complete the attached application. Scholarship winners will enjoy:

- Free conference registration for SESUG 2007 in Hilton Head, SC.
- Recognition as a scholarship recipient (on the web, in conference materials, and at the conference).
- A special "scholarship winners" luncheon at SESUG 2007.

Criteria for scholarship award selection include:

- Completion and submission of the attached application, by April 2, 2007.
- Participation in SESUG 2007 as a presenter or volunteer (refer to Volunteer Opportunities at [www.sesug.org/SESUG2007/Volunteers.htm](http://www.sesug.org/SESUG2007/Volunteers.htm) ).
- Written reference from a major professor in support of scholarship application.
- Status as a student in a degree-granting program, at time of application and at time of conference (4-6 Nov 2007).
- Use of SAS software for research or studies.

**NOTE:** Scholarship recipients are not required to present a paper, but preference is given to those willing to help at the conference.

**NOTE:** Student scholarships cover registration fees for SESUG 2007 including admission to receptions, breaks, and luncheon. **Travel expenses to Hilton Head, SC are your responsibility.** SAS has generously agreed to provide funding to scholarship winners, to assist with a portion of the hotel cost for Sunday and Monday nights (4 - 5 Nov 2007). Details will be provided to scholarship winners.

**SESUG 2007 Scholarship Program**

Please complete the following application and email it to AND [AcademicChair2007@sesug.org](mailto:AcademicChair2007@sesug.org) no later than **April 2, 2007, 5PM Eastern Time.**

Name: \_\_\_\_\_

Email Address: \_\_\_\_\_
